Alberto Scotti
Digital Media Student

A creative and engaging technological student who is curios of the late technology to create Short Movies, Web, Brand and 3D Designs, Animations and some music creations for advertising goals and personal projects. I was born in Italy but raised in France at a young age, and with Italian parents I became bilingual in French and Italian. I then moved to Singapore for 2 years and followed my studies in French and started to study Mandarin. Finally I moved to Hong-Kong for 3 year and finish my high-school.
